For quiet, street-legal Dual Sport Motorcycles

Back to the desert for the post holiday winter classic. Other than the LA-B-V, the Hi Desert 250 is the longest running Dual Sport event in District 37. It was 21 years ago when several old enduro clubs started promoting Dual Sport rides and formed the D37 Dual Sport Committee. The Hi Desert 250 was on that first schedule.

This year we have three all day loops. You choose which two you want to ride. Riders will be spread out on the three loops for less dust (as if there will be no snow or rain in January).

One loop goes down to the Husky and back with lots of challenging desert single track. Since it goes through Joberg twice there are lots of short cut options.

Another loop goes to the Jawbone store and back. A classic almost every year.

The third loop not only uses some great trails in the El Paso Mts but for the first time in years also goes around the Rand Mts. It also goes through Joberg twice for options.

As usual we look out for the riders by riding almost every day to select the trails with as few Whoops as possible. It's a dirty job but someone has to do it for you.

- Ride the Rand and El Paso Mts
- Ride to Jawbone and back
