### West Loops:

**West Long Loop:** This is a 215 mile all day loop with Gas/Lunch in Bagdad. It first goes to the Alto Pit riding area for some single track fun then a long single track over to the Tonto Wash area then lots of 2-track up to Camp Wood and down past Yolo Cabin thru Scotts Basin, and on to Bagdad. After lunch, back on the fast Camp Wood road, then backwards on the 2-tracks down to Skull Valley, over the Mts. back to Prescott.

**Short West Short Loop:** This is a 65 mile loop with no Gas/Lunch. It is the same start as the Long loop but over at Tonto Wash, it cuts to the after lunch Long loop.

### East Loops:

**East Long Loop:** This is a 125 mile easy 3/4 day loop with Gas/Lunch in Mayer. It starts with miles of single track and 2-track in Schoolhouse Gulch just south of the Motel, then heads to 7 Mile Gulch for many more miles of single track, then more 2-track and graded roads to Mayer for Gas/Lunch. After lunch it is mostly graded roads back to Schoolhouse Gulch for more single track to the finish.

**East Short Loop:** This is a 70 mile loop with no Gas/Lunch. It is the same start as the Long loop but over by Walker it cuts across to the after lunch Long loop.

**East Single Track Loop:** This is a hard 80 mile loop with no Gas but Lunch at Lynx Lake Cafe. It is the same as the Short loop except with a lot more Single Track. Not recommended for less than high intermediate riders, it will exhaust you.
